

Dear all,

Further to the completion of the New Academic Structure (NAS) Medium-term Review and the announcement of the last batch of recommendations in June 2015, we are pleased to inform you that the ***Report on the New Academic Structure Medium-term Review and Beyond*** has been uploaded to the EDB website for public consumption. The report, jointly issued by the CDC, HKEAA and EDB, summarises the progress of the implementation of senior secondary education under the NAS, key recommendations on curriculum and assessment in the multiple stages of the NAS Review, and the way forward for continual curriculum renewal.

Please find below the press release for your information. The ***Report on the New Academic Structure Medium-term Review and Beyond*** can be downloaded from the NAS Review webpage via the link given below.
