

Posters and Adhesive Note Pads on
“e-Navigator — Multiple Pathways under the New Academic Structure”

Purpose

This is to inform heads of secondary schools about the distribution of the captioned posters and adhesive note pads.

Details

2. The Education Bureau and the Hong Kong Association of Careers Masters and Guidance Masters have jointly designed a webpage (<https://eNavigator.edb.hkedcity.net>) and a mobile application (APP), “e-Navigator — Multiple Pathways under the New Academic Structure” (“e-Navigator”). The webpage and the APP assist senior secondary (SS) students to search for programmes across different local institutions and levels such as degrees, higher diplomas, associate degrees, Diploma Yi Jin, programmes from the Qualifications Register and accredited post-secondary programmes, as well as to provide the latest information on the admission score of JUPAS programmes.

3. SS students can download the latest APP via the above webpage or application stores with the smartphone. Careers and Guidance teachers and class teachers may make use of “e-Navigator” to discuss with their students about various study opportunities so as to facilitate their early planning of multiple pathways.

4. Two posters (Chinese and English versions) and 130 sets of adhesive note pads will be distributed to each school to promote the webpage and the APP. Schools are required to fill in the attached **Collection Slip** and arrange for collection at the respective Regional Education Offices **from 20 February to 20 March 2019** inclusive. Schools are requested to display the posters in a prominent place of the school, and to distribute the adhesive note pads to S5 or S6 students. The e-version of the poster is available at the website of NAS Web Bulletin (www.edb.gov.hk/nas/en).
