

Virtual Information Expo on Multiple Pathways 2020 will go live on 12 and 13 June

The Virtual Information Expo on Multiple Pathways 2020, organised by the Education Bureau, will be held on 12 and 13 June (Friday and Saturday). The Virtual Info Expo will serve as an one-stop informative virtual platform providing information on locally accredited post-secondary programmes (including programmes eligible for Government subsidy schemes, as well as vocational and professional education and training (VPET) programmes); the Diploma Yi Jin programme; relevant online platforms such as the Information Portal for Accredited Post-secondary Programmes (iPASS), the Electronic Advance Application System for Post-secondary Programmes (E-APP), the Concourse for Self-financing Post-secondary Education and Qualifications Framework. The Virtual Info Expo supports Live Chat function for answering students' enquiries online. There will also be live talks on multiple pathways, VPET and sharing sessions by post-secondary students. Industry and institution representatives will also provide first-hand information about relevant programmes (including VPET) and career in the industries concerned. Prior registration is not required.
