Virtual Information Expo on Multiple Pathways 2021 will go live on 28 and 29 May online

The Virtual Information Expo on Multiple Pathways 2021, organised by the Education Bureau, will be held on 28 and 29 May (Friday and Saturday). The Virtual Info Expo will serve as an one-stop informative virtual platform providing information on locally accredited post-secondary programmes (including programmes eligible for Government subsidy schemes, as well as vocational and professional education and training (VPET) programmes); the Diploma Yi Jin programme; relevant online platforms such as the Information Portal for Accredited Post-secondary Programmes (iPASS), the Electronic Advance Application System for Post-secondary Programmes (E-APP), the Concourse for Self-financing Post-secondary Education, and Qualifications Framework. There will also be live talks on multiple pathways, VPET and sharing sessions by post-secondary students.

The virtual exhibition platform will be available until 12 August. Interested parties are welcome to access the relevant information and review the recorded talks during the exhibition period.
